The Board have proposed to enhance the provision Schedule rate in respect of public works executed by the Board Agency by 60% in view of the fact that the Contractors are not forthcoming to take up the works. This question is being separately dealt with. The provision of Rs 6,000/- ordered to be utilised every year out of the Railway Cess interest for improving inter Communications undertaken by the Board agency, in G.O. no L 3462-5/LB 31-32-4 dt 18/11/'32 is stated to be insufficient to meet the enhancement of 60% in the Schedule rates. That the rates of the Contractors ~~are~~ have to be enhanced owing to war conditions and in a Railroad area like the Kasaudih, it is much more to the improvement of these intercommunicating is a necessary step in the direction of rural progress, as they would connect the village roads. In view of these facts, the request of the Kasaudih Board to enhance the grant entry to Railway cess funds from Rs 6000/ to Rs 9000/ for this purpose - may be sanctioned so long as the present schedule of rates continues. There is plenty of money available under Railway cess funds in this Distt. for orders

From

K. KRISHNA RAO, ESQ., B.A.,LL.B.,
PRESIDENT, KADUR DISTRICT BOARD, CHIKMAGALUR.

To

The Secretary to the Government
of Mysore, Law Department, Bangalore.
(Through the Deputy Commissioner,
Kadur District, Chikmagalur).

Sir,

I have the honour to state that the Government have, in their order No.L.3462-5/L.B.31-32-4 dated 16/18-11-32, sanctioned the resolution of the Board to utilise Rs.6,000/- every year out of the Railway Cess Interest for improving Intra-communications by the District Board Agency.

The Road Committee of the Board before whom the list of such works, both incomplete and fresh, for which grants for 1944-45 were required was placed at their meeting on 1-11-44, have, while allotting grants, resolved that the sum be enhahced to Rs.9,000/-, as the sum of Rs.6,000/- will be insufficient to carry out the works of the Board's Agency in view of their resolution requesting Government to enhance the schedule of rates by 60% as the enhancement by 20% is inadequate to attract the contractors. They have also observed that the same quantity of work that would be turned out with an enhancement of rates by 20% would cost more with an enahcement at 60% and have resolved to enahcne the grant to push through the incomplete works.

The Board have also at their meeting held on 2-11-44 while approving the list resolved like-wise.

Copies of the Resolutions of both the Road Committee and the Board are enclosed herein for kind perusal.

A copy of the Government Order referred to in Paragraph 1 supra is also enclosed for ready reference.

(P.T.O.).

I request you to kindly obtain sanction of Government to the resolution of the Board to enhance the grant for Intra-communication works to be executed by the District Board Agency from Rs.6,000/- to Rs.9,000/- and communicate.
